Waterproof Sheets

High Density

GRADE A

The most Important and primary Materials in the Manufacture of bathroom Cabinets are Waterproof Sheets.

At Velvet Company , We use the Best Primary Materials with High density and Grade A Quality That guarantee the resistance of our Products.

valresa

**SMART
COATINGS**

Valresa POLYURETHANE Colors

Valresa POLYURETHANE Hardener
Valresa POLYURETHANE Primer

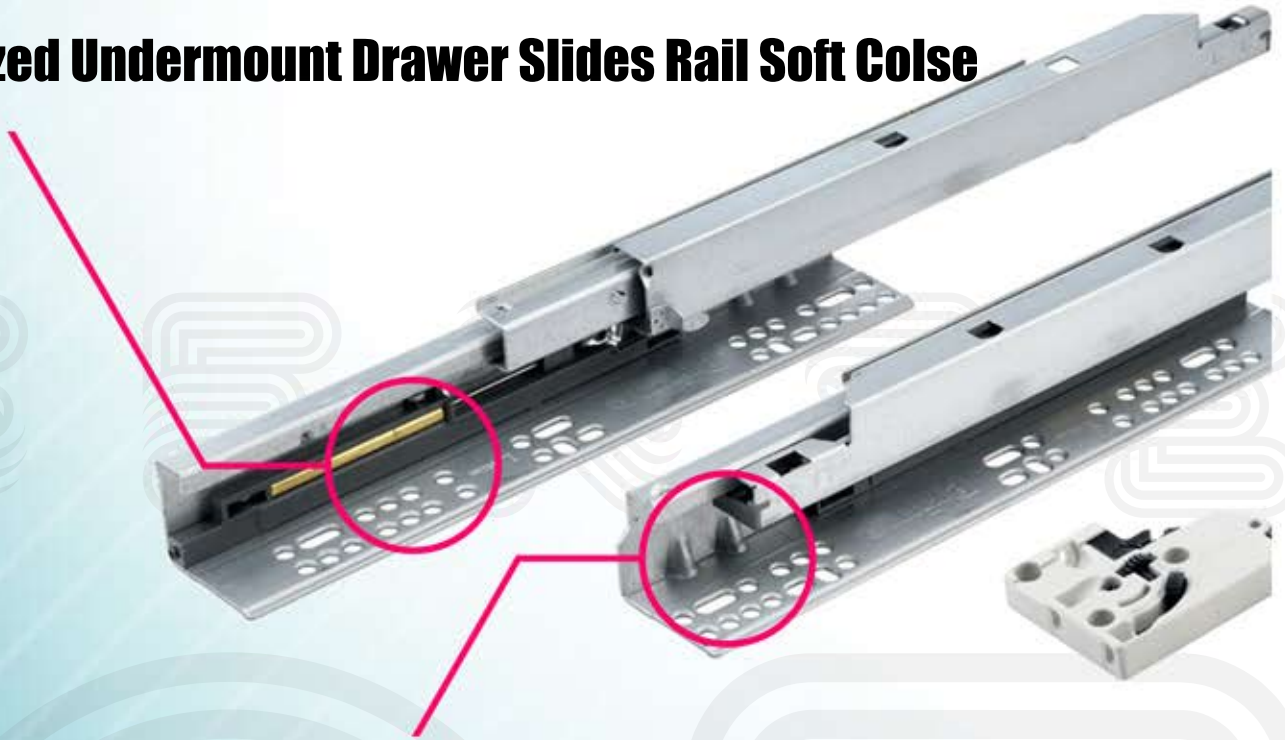

GENC POLYURETHANE Colors

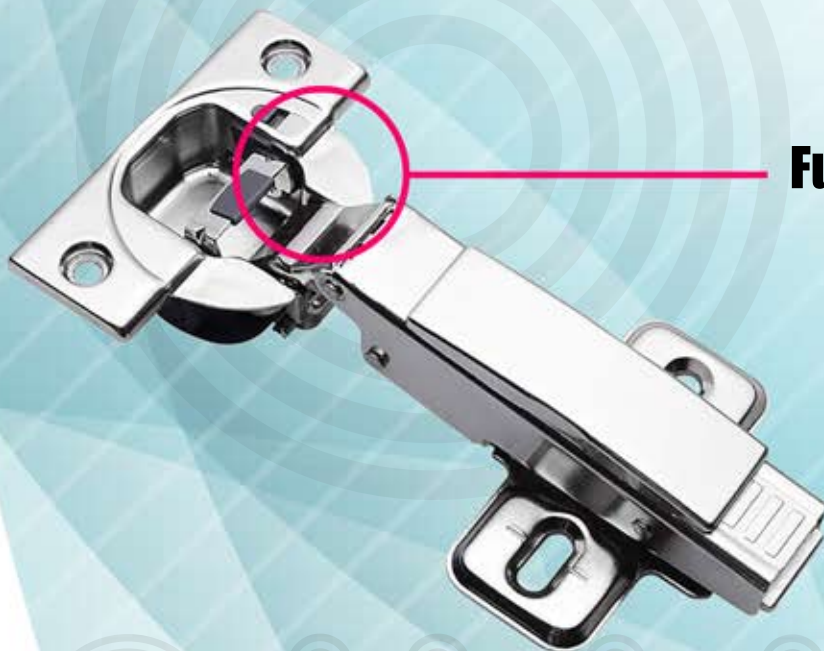

Another important Point in the production of washbasins that contributes to their beauty and durability is the use of POLYURETHANE coating paints.

Our Company uses the best paints available on the market , including Valresa Maded by Spain in the Coating of our High Class And Genc Maded by Turkey in our another Products.
